

ELO GENERAL ASSEMBLY

BUDAPEST, Hungary, May 14-15, 2024

As the custom for the European Landowners Organization -ELO, the General Assembly, will be held in the country that is about to assume the 6-month presidency of the European Council. Therefore our next General Assembly will take place on Tuesday May 14 in Budapest. It will be co-organised with the support of MAINTUSZ, our Hungarian member organization and our friends of CIC.

During this event, we would be honored to discuss with you topics focused on European agriculture, biodiversity, forestry management, rural development and last but not least food and environmental security and climate change. These are our interests especially in the forthcoming Hungarian presidency of the European Council. The meeting will gather our members from almost all European countries.
